

# Abbas Gure

Graduate Software Engineer

## PERSONAL DETAILS

---

<b>Address</b>	Birmingham, United Kingdom
<b>Phone</b>	07450664709
<b>E-mail</b>	abbasgure@googlemail.com

## EDUCATION

---

<b>Aston University</b> <i>MSc Computer Science, Birmingham</i>	Sept 2020-Sept 2021
<b>Coventry University</b> BA(Hons.) Medical and Pharmacological Sciences, Coventry	Sept 2016-June 2019

## PROJECTS

---

<b>Game Project</b> <i>Card Game Phone App</i> Developed a card game App loosely based off Blackjack with online multiplayer features using Android Studio with Firebase as a database storage device.	Sept 2020 - May 2021
--	----------------------

<b>Recipe Project</b> <i>Online Recipe Blog Website</i> Developed a website blog that would store popular cooking recipes. Using PHP Laravel to migrate information inputted on the website. The front-end designed using bootstrap and JavaScript.	June 2021 - June 2021
---	-----------------------

<b>Eden Project</b> <i>Online Environmental Website</i> For my Dissertation project, I developed an environmental website that would contain information predominantly regarding waste management in our environment while providing informative links to external environmental bodies that dealt with waste management in the UK. Utilised Google Map API with reverse geolocation to locate users position and then report the area they found the environmental concern such as waste or land degradation.	July 2021 - Dec 2021
--	----------------------

## WORK

---

<b>BMG Research</b> <i>Birmingham, United Kingdom</i> Market Research Specialist where I contacted company owners to help a company market its products or services.	Jan 2020 - Jan 2021
--	---------------------

<b>Hermes</b> <i>Rugby, United Kingdom</i> Warehouse Operative	Dec 2019 - Jan 2020
--	---------------------

**Skills** - HTML, CSS, JavaScript, Java, Git, SQL, Microsoft Office, PHP
