PROFILE

» Graduate Software Engineer from Aston University

EDUCATION

 2020/09–2021/09 **MSc Computer Science**
Aston University  Birmingham, United Kingdom

- » (2020-21 CS3IOS) Foundations of Object-orientated Software Development
- » (2020-21 CS4330) Data Structures and Algorithms
- » (2020-21 CS4340) Software Engineering
- » (2020-21 CS41DS) Database Systems
- » (2020-21 CS4820) Reliability in Software Engineering
- » (2020-21 CS4665) Human Computer Interaction
- » (2020-21 CS4870) Team Project
- » (2020-21 CS4700) Dissertation

 2016/09–2019/12 **BA(Hons.) Medical Pharmacological Sciences**
Coventry University  Coventry, United Kingdom

 2014/09–2016/06 **BA(Hons.) Medical Pharmacological Sciences**
BMET Matthew Boulton Campus  Birmingham, United Kingdom

WORK

- 📅 2020/01–2021/01 **Market Research Specialist**
BMG Research 📍 City, Country
- 📅 2019/12–2020/01 **Warehouse Operative**
Hermes 📍 City, Country

IT SKILLS

[illegible]

PUBLICATIONS

- » **hnqiu**, San Zhang. Towards a rooster that lays eggs. In *Proceedings of the 2020 Artificial Intelligence Conference*, Jun 2020, pp. 10–18.
- » **hnqiu**, Si Li. How to Jialidun: a comprehensive study. In *2018 International Conference on Computational Intelligence*, Dec 2018, pp. 1–10.

LANGUAGES

English , Arabic & Somali (native) English (fluent)

REFERRER

Wong, Sylvia  Associate Dean International
 Aston University (College Of Engineering And Physical Sci)
 s.h.s.wong@aston.ac.uk
